John Hancock:

Next round of in-force rate action notifications to take place in late November

In late November, we will begin policyholder notifications on the next round of John Hancock and Fortis policies impacted by the in-force rate actions, which will have an effective date beginning with anniversaries on or after March 1, 2019.
The 2016 rate action notifications will include John Hancock LTCI individual policies originally issued in Arkansas, Iowa, Louisiana, Maine, Minnesota, New Jersey, New Mexico, New York, South Dakota, Tennessee, Utah and Wyoming. We will continue the implementation of the 2013 rate action for John Hancock LTCI individual policyholders in Maryland and for Fortis LTCI individual policyholders in Oregon who have received an initial “capped” or “phased-in” increase… Read More

Next round of in-force rate action notifications to take place in late July

In late July, we will begin policyholder notifications on the next round of John Hancock and Fortis policies impacted by the in-force rate actions, which will have an effective date beginning with anniversaries on or after November 1, 2018.… Read More
